The Basics

How much CPD do I need to carry out?

9 CPD Outcomes including at least one Professionalism Outcome

When is the CPD year?

1st October to 30th September of each year

How much planned CPD should I do?

At least 5 of your CPD Outcomes must come from planned activities.

To help you reflect and plan your CPD, you may find the <u>Reflection</u> and <u>Planning Tool</u> and the <u>Competency Framework</u> useful.

How should I deal with unplanned CPD activities?

There are situations where you may identify a learning need unexpectedly, for example from a matter where you come across new law or as a result of a 'critical incident'. This still counts towards your CPD. You should complete the <u>Evaluation of Unplanned Activity Form.</u>

Last minute courses are classed as "planned" activities.

Will you check my records?

Each year a sample of records will be undertaken to ensure compliance with the scheme. A further sample of members will be interviewed about their CPD. If you are selected for sampling, you will be asked to provide any additional documents used to record your CPD. Therefore, we recommend that you keep all records for at least 2 years.

Professionalism & Outcomes

What is Professionalism?

Professionalism is learning something new, or refreshing or developing your knowledge or skills in one of the following areas:

- Professional ethics, including the Code of Conduct
- Knowledge of the primary business in which your clients work (business awareness)
- The issues which may affect your clients (social awareness)
- Client communication skills
- Dealing with challenging clients
- Equality and diversity issues
- Time management skills

What is the difference between Outcomes and Hours based CPD?

All of your CPD activities should be Outcome-based.

This means that, rather than specifying how many hours you completed on this activity, you need to decide **what you want to learn** from the activity. This will be your **learning outcome**.

For example:

- Improve my knowledge of the primary business in which my clients work
- Develop my client communication skills
- Refresh my knowledge and understanding of equality and diversity issues

Outcomes

How do I carry out an Outcomes-based CPD activity?

You should complete the following four steps when carrying out your CPD.
